SUBJECT

Bangalore city I am directed to observe that the forms of licence do not seem to have received sufficient consideration & to propose the following alterations

(1) In line 5 of bye-laws No. 1, the words "per annum may be inserted between "fee" & "shall"

(2) Wholesale other licence

After "granted under" in line 1, the words "the ~~other~~ bye-laws framed by the Bangalore city & Council under section 44 of the said Regulation may be substituted for "provisions of the rules for the collection of octroi duties in the city of Bangalore"

(3) In condition 4,

the 2nd word "~~xxxxxx~~ may be omitted, "the" being substituted therefor. The eighth word "will" may be omitted, the words "above mentioned should not" being inserted after "duty"

(4) The schedule of roads may be revised to correspond with that printed under the Excise Laws

Retail licence

page 30 of the Register. (X)

(5) The same alteration as (2) may be adopted here.

(6) In condition 10, the words "or of the Excise Regulations" may be omitted

2. The enforcement

of Conditions 2 & 3 of the Wholesale license may possibly inflict undue hardship on dealers in goods. Besides the necessity for the retention of the marginally noted words in the first sentence of the wholesale license and in Condition 2 of the retail license is not apparent.

(a) "from the bonded warehouse in Kolar of the City of Bangalore"

(b) "and shall have been purchased at the Kolar or from a duly licensed vendor."

3. In these circumstances I am to request you to be so good as to compare the conditions with those of Bombay licenses in vogue in the C & M Station or elsewhere, to make the needful revision & to resubmit the original papers for the orders of Govt.

Sir,

With reference to your letter No. 8600 / Ml. 60-12-32 dated the 25th April 1913, observing that the forms of licenses for the vend of tobacco and betel leaves have not received sufficient consideration and proposing certain alterations, I have the honor to report as follows:-

(1) The fee prescribed for a license in bye-law No. 1 is for a year ending with 30th June. This is made clear by condition No. 1 of the Wholesale license and No. 4 of the Retail license. The words " per annum (Official Year)" may be inserted between " fees " and " shall " in bye-law No. 1.

Whole-sale Octroi License.

(2) The words " the Octroi bye-laws framed by the Bangalore City Municipal Council under Section 48 of the Municipal Regulation " may be substituted for " provisions of the rules for the collection of Octroi duties in the City of Bangalore " in line 1 as suggested.

(3) The word " number " does not appear in condition 4.

Probably

Probably the word " no " is meant. It may be omitted " the " being substituted therefor. The other verbal alterations proposed may also be made so as to make the 4th condition run thus -

" That the article subject to Octroi duty above mentioned shall not be introduced into your premises or place of business without payment of Octroi thereon."

(4) The Schedule of roads has been revised to correspond with that printed under the Octroi Bye-laws.

R e t a i l L i c e n s e.

(5) The verbal alteration proposed in the heading is adopted

(6) Instead of omitting the words " or of the Octroi Regulations " in condition 10, as proposed the words " Regulations or " may be omitted.

2. The enforcement of the Conditions 2, 3, and 6 of the Whole-sale License is very necessary in view of the large quantity of tobacco that is systematically smuggled into the City and the facilities existing all round the City To defraud the Municipality and to escape punishment the tobacco merchants have now only to deposit the tobacco in godowns outside the City limits and to see that it is clandestinely removed in small quantities to their premises in the City either during the day or night for which various devices are adopted The tobacco is brought in by unfrequented and lonely foot-paths, or in gooka carts and budmashes are hired to accompany the carts or persons carrying the loads. It is notorious that they maintain a large stock in the villages adjoining the City, directing almost all the tobacco as it arrives at the City Railway Station to such villages under free permits The Municipality have no sufficient facilities to control the illicit import of tobacco from these villages as there is a long straggling boundary and an entrance

may be gained into the City from any point. It is therefore necessary to restrict the time during which and the routes through which this dutiable article is to be imported. It is also provided that intimation of the probable date of arrival of a consignment should be given by the licensee and that he should not deposit any such article in any village immediately beyond Municipal limits. These conditions are exactly similar to those in force in the Civil and Military Station Municipality except that in condition No. 6, the prohibition of the deposit is made to apply to a definite area of 10 miles from the City. This is rather a hard condition and I would suggest the omission of the words " within a radius of ten miles " from that condition in order to conform to the Law as in force in the Civil and Military Station.

3. As regards your other observations, I beg to add that the words " from the bonded ware-house or koti of the City of Bangalore " are intended to mean that all tobacco authorized to be sold by the Whole-sale dealer should have been issued from the Bonded Ware-house where rooms are provided for deposit by Whole-sale dealers, or from the Koti where the duty is levied. The word "issued" seems to have been omitted and it may be inserted before the words quoted.

4. By the words " and shall have been purchased at the Koti or from a duly licensed Vendor" in condition 2 of the Retail license form, it is intended to make an additional provision to safeguard the interests of the Municipality against smuggling, largely carried on by the retail dealers, by imposing a condition that they should deal only in such goods as shall have been purchased by them from a Whole-sale dealer at the Koti or from any duly licensed vendor elsewhere in the City. The retail dealers are thus prevented from importing such dutiable articles themselves, this privilege being exercisable only by the licensed whole-sale dealers.

5. I enclose for reference the whole-sale and retail

license

13

license forms as they are at present in use in the Civil and Military Station Municipality.

6. A copy of the draft bye-laws and forms revised in the light of the above suggestions is submitted for early sanction of Government
